

Notice About 2021 Tax Rates

Property Tax Rates in LAMB COUNTY. This notice concerns the 2021 property tax rates for LAMB COUNTY. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate: \$0.748500/\$100

This year's voter-approval tax rate: \$0.7757/\$100

State Criminal Justice Mandate

The LAMB COUNTY County Auditor certifies that LAMB COUNTY County has spent \$0 (minus any amount received from state revenue for such costs) in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. LAMB COUNTY County Sheriff has provided LAMB COUNTY information on these costs, minus the state revenues received for reimbursement of such costs.
